

# DEVELOPMENT PROGRAM REPORT

## Detailed report and benchmarking of your Program

Our one and only comprehensive directory of all MBA Development Programs worldwide covers **+500 programs** and has subscribed **+100 top business schools** from MIT Sloan and Harvard to INSEAD and HKUST to give their students access to this unique directory.

With over 200'000 programs views, we have the data on what students are most interested in and can extract a tailored report for you on how your program compares to its peers:

- *Analysis of the development program on the global level (per region, industry, focus area, etc.),*
- *Evaluation of your company programs as a group and how they compare to those of other companies.*
- *Deep dive into your Development Program benchmarking (per school regions, industry, targeted business schools, etc.)*
