

We're looking for BP's leaders of tomorrow

Future Leaders Programme

You are invited to participate in the Future Leaders Programme event

Date: Tuesday, September 20th, Wednesday, October 5th
Place: Online

As a world leader in the oil and gas industry, BP operates at every stage of the energy lifecycle. In this highly competitive and constantly changing international market, we need leadership to help us stay ahead of the industry. The BP Future Leaders Programme (FLP) is a 4 year global rotation programme which takes enthusiastic, talented people from a range of professional backgrounds and gives them the skills and opportunities to drive our Downstream business forward.

On September 20th or October 5th, come and learn about FLP - the global programme that will make the most of your potential, talent and experience. All whilst giving you the skills and opportunity to lead BP into the future and develop your own long-term career. Choose from one of the four available sessions on the website.
